

TWAIN HARTE COMMUNITY SERVICES DISTRICT

JOB ANNOUNCEMENT

UTILITY MAINTENANCE WORKER

Applications Due: Open Until Filled

Our Invitation

Twain Harte Community Services District (THCSD) would like to extend an opportunity to join our operations team as a Utility Maintenance Worker. Our Operations Division takes pride in delivering excellent water, sewer and park and recreation services to its residents and visitors.

This is an excellent opportunity for anyone looking to start a career in the water and wastewater industry.

Our Town

THCSD is located in the charming mountain town of Twain Harte – one of the most desirable areas in Tuolumne County. Home to about 2,500 residents, the town has a friendly, family-oriented feel.

Our District

Our Operations Division operates and maintains THCSD's water treatment, water distribution, sewer collections and park and recreation facilities.

The water system consists of a 1-MGD surface water treatment plant, 3 groundwater wells, 2 pump stations, 6

storage tanks, and miles of water line that distribute clean, safe water to about 1,600 customers.

THCSD's sewer collections system consists of 3 lift stations and miles of sewer line that collects wastewater from about 1,500 customers.

Our park facilities are the pride of the community and include a park, water play area, outdoor pavilions, baseball field, skate park, stage, bocce courts, tennis courts, pickleball courts and a community center.

The Ideal Candidate

The ideal Utility Maintenance Worker will be a responsible and reliable individual with an excellent work ethic. He/she will follow direction in a detail-oriented manner, will work well with his/her hands, think quickly, enjoy working outdoors and be adept at operating heavy equipment.

With a hunger to learn, the ideal candidate will learn quickly and continually look for opportunities to grow in knowledge and skills. Superior analytical skills and practical problem solving will be expected.

A positive attitude and outstanding communication skills will enable the Utility Maintenance Worker to be an effective team member working in close relationships with coworkers. His/her professional demeanor will result in solution-oriented service to customers.

Compensation & Benefits

Hourly Rate: \$21.63/hr- \$31.96/hr

THCSD offers an excellent benefit package, which generally includes:

- CalPERS Retirement
 - 3% @ 60 (Classic)
- Health Insurance Plan
 - 90% costs covered for Employee + Family
- Health Reimbursement Account
 - Up to \$7,250/year toward medical and dental costs
- Paid Leave (Annually)
 - 14 Holidays
 - Vacation: 2-5 Weeks
 - Sick: 12 days

See the attached summary for more information on THCSD benefits.
